

IIM Nagpur

PGP Admission Process 2016^{**}

This document describes the shortlisting and selection criteria for the 2nd PGP batch at IIM Nagpur. The batch size will be 60 students. The admission process at IIM Nagpur takes into account the candidate's Past Academic Performance (*PAP*), Work Experience (*WE*), and performance in CAT.

Stage 1: Criteria for Eligibility to be considered for admission to PGP

The following cut-offs shown in Table 1 will be used for selecting eligible candidates for all subsequent stages. Therefore, the CAT-2015 score is the single criterion used as the basis for arriving at the first short-list.

Table 1: Minimum CAT-2015 Percentile

Category	Seats Available	Minimum CAT 2015 percentile for shortlisting, section-wise			
		Section 1 (VARC)	Section 2 (DILR)	Section 3 (QA)	Overall
General	28	80	80	80	90
NC-OBC	16	72	72	72	81
SC	9	60	60	60	75
ST	5	50	50	50	65
DAP	2	50	50	50	65

VARC=Verbal Ability and Reading Comprehension, DILR=Data Interpretation and Logical Reasoning; QA=Quantitative Ability;

Stage 2: Criteria for Final Selection of the Candidates

The candidates who had applied to "IIM Nagpur" at the time of CAT-2015 registration and also meet the cut-offs shown in Table 1 above, would be receiving an email from IIM Nagpur by 15th April, 2016. These candidates will be provided a link to a page where they **MUST** express and reconfirm their desire to pursue their candidature further for the admission to PGP in management at "IIM Nagpur" by a stipulated date.

a. Past Academic Performance (PAP)

Here, we look at the applicants' academic performance (marks obtained) in 10th Standard Examination, 12th Standard Examination and Bachelor's Degree Examination.

For 10th and 12th Standards: The eligible applicants, as obtained in stage 1 above, will be assigned rating scores "A" and "B" (See Table 2) based on their percentage of marks obtained in 10th and 12th standard examinations respectively.

For Bachelor's Degree: The eligible applicants as obtained in stage 1 above, will be assigned a rating score "C" (See Table 2) based on the percentage of marks received in the Bachelor's degree.

Table 2: Past Academic Performance (PAP): Rating Scores

Percent score in 10th Std. Exam	Rating Score A
<= 55	1
> 55 and <= 60	2
> 60 and <= 70	3
> 70 and <= 80	4
> 80 and <= 90	7
> 90	10

Percent score in 12th Std. Exam	Rating Score B
<= 55	1
> 55 and <= 60	2
> 60 and <= 70	3
> 70 and <= 80	4
> 80 and <= 90	7
> 90	10

Percent score in Bachelor's Degree	Rating Score C
<= 52	1
> 52 and <= 55	2
> 55 and <= 60	3
> 60 and <= 65	4
> 65 and <= 70	7
> 70	10

PAP Score for the candidate:

$$PAP = (0.25*A+0.35*B+0.40*C)/10$$

b. Work Experience (WE)

For the work experience of completed months x (at the time of CAT 2015 registration), the candidates will be assigned a **WE** score using the following formula:

$$\begin{array}{ll} WE = 0 & \text{for } x < 6 \\ WE = 0 & \text{for } x > 60 \\ WE = x/30 & \text{for } 6 \leq x \leq 30 \\ WE = 1 - ((x-30)/30) & \text{for } 30 < x \leq 60 \end{array}$$

The Final Selection

Selection at this stage will strictly be based on the ranks of the candidates computed separately for each category (General/SC/ST/NC-OBC/DAP) on the basis of their Final Scores (*FS*). The numbers selected in different categories will be in proportions mandated by the law.

The *FS* of a candidate, who meet the CAT-2015 cut-offs mentioned in Table 1 and who expresses and reconfirms his/her desire to pursue the candidature further by the stipulated date, will be computed using the following rule:

$$\begin{array}{l} FS = 0.50 * (\text{CAT Total Score} / \text{Maximum CAT Total Score}) + \\ \quad 0.30 * (\text{PAP Score}) + \\ \quad 0.20 * (\text{WE Score}) \end{array}$$
